This negotiated contract is entered into pursuant to statutory authority and any required determination and findings have been made.

This contract is entered into, by and between the United States of America, hereinafter called the Government, represented by the Contracting Officer executing this contract, and above named Contractor who is an ☐ Individual, ☐ Partnership, ☐ Corporation, incorporated in the State of Virginia, hereinafter called the Contractor.

The parties hereto agree that the Contractor shall furnish the facilities and deliver all supplies and perform all the services set forth in the attached Schedule, or Task Orders, issued hereunder, for the consideration stated therein.

The rights and obligations of the parties to this contract shall be subject to and governed by the terms and conditions on the reverse hereof, attached Schedule and General Provisions. To the extent of any inconsistency between the Schedule and General Provisions, and any specifications or other provisions which are made a part of the contract by reference or otherwise, the Schedule and the General Provisions shall control. To the extent of any inconsistency between the Schedule and the General Provisions, the Schedule shall control.

The Contractor represents (a) that it ☐ is, ☐ is not, a small business concern. For this purpose, a small business concern is a concern that (i) is not dominant in its field of operation and, with its affiliates, employs fewer than 500 employees, or (ii) is certified as a small business concern by the Small Business Administration. (See Code of Federal Reg., Title 13, Ch. II, Part 103, 21 Fed. Reg. 9708, which contains the detailed definition and related procedures.), (b) that it ☐ has, ☐ has not, previously been denied a Small Business Certificate by the Small Business Administration, and (c) if offeror is a regular dealer, it also represents that all supplies to be furnished hereunder ☐ will, ☐ will not be manufactured or produced in the United States or its territories or possessions by a small business manufacturer or producer; and, further, makes the representations regarding contingent or other fees, set forth on the reverse hereof.

IN WITNESS WHEREOF, the parties hereto have executed this contract as of 30 June 19 65.

--	---

**SCOPE OF WORK:**

The Contractor shall perform the research, investigation and experimentation to establish the basic design parameters and the related performance characteristics of an Adaptive, Automatic, Target Recognition System in accordance with Phase I of Contractor's Proposal No. TR-288 "Development of an Automatic Target Recognition System", submitted on March 19, 1965, which is incorporated herein by reference and made a part hereof, and shall report fully upon the results thereof, as hereinafter specified. The system is to be consistent and compatible with the image technology employed by the Government.

**DELIVERABLE ITEMS:**

1. Monthly Technical Progress Reports. (3 copies)
2. Interim Reports as requested by the technical representative of Contracting Officer. (3 copies)
3. Final Report including complete system specification and functional design and appropriate conceptual drawings, all suitable to serve as the basis for later detailed system design and development. (3 copies)

**PERIOD OF PERFORMANCE:**

The work to be performed hereunder shall be accomplished during the period June 30, 1965 thru March 31, 1966.

**DELIVERY:**

Two copies of each report deliverable hereunder shall be mailed to:

or delivered personally to the technical representative of the Contracting Officer. In the latter case, a signed receipt, in duplicate, must be obtained from the technical representative and one copy attached to the next invoice submitted.

One copy of each report shall be mailed to the Contracting Officer at the address given on the first page of this contract.

### NOTICE

This material contains information affecting the National Defense of the United States within the meaning of the Espionage Laws, Title 18, U.S.C. Secs. 793 and 794, the transmission or revelation of which in any manner to an unauthorized person is prohibited by law.

(SCHEDULE)	CONTRACT/TASK ORDER NO.	PAGE 3 OF 3 PAGES
	CONFIDENTIAL	Contract No. [REDACTED] 25X

SCHEDULE PROVISIONS PREVAIL:

In the event of any inconsistency between the provisions of this Schedule and the other provisions of this contract, i. e., Section A General Provisions (Form 1-65-1424A) and Section D Fixed Price Research and Development Provisions (Form 1-65-1424D), the Schedule Provisions shall prevail.

LEVEL OF EFFORT:

This contract contemplates a level of effort of approximately 8147 man hours of direct labor of technical personnel including approximately 890 hours of the labor of a Project Engineer, acceptable to the technical representative of Contracting Officer, and approximately 1300 hours of the labor of a Senior Research Scientist, acceptable to the technical representative of Contracting Officer. On or about the completion date of the contract the Contractor shall submit to the Contracting Officer a certified statement of the number of hours actually expended in the performance of the work of the contract.

CONTRACT PRICE:

For the complete performance of this contract by Contractor in accordance with its terms, the Government shall pay to the Contractor a fixed price of [REDACTED] 25X

PAYMENT SCHEDULE:

The Contractor shall submit to the Contracting Officer, together with the copy of each of the eight monthly reports called for hereunder, an invoice in the amount of [REDACTED] If the progress of the work has been consistent with the terms of the contract and is so attested to by the technical representative of the Contracting Officer, the Government shall promptly approve and pay the invoice. X1

Upon delivery of the final report called for hereunder, the Contractor shall invoice in the amount of [REDACTED] If the Contractor has completed the contract in accordance with its terms and the final report is in accordance with the requirements of the contract, the Government shall promptly approve and pay the invoice. This payment, together with the eight payments of [REDACTED] provided for above shall be in full and complete satisfaction of the Government's obligation under this contract. X1

## SECURITY:

The reports to be delivered hereunder shall be "UNCLASSIFIED".

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this contract is classified **CONFIDENTIAL**. This classified information and any other classified information which may be specified in the first paragraph of this Security Article, will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contain classified information or refer to the number of this Task Order and/or contract or the name and/or address of the Contracting Officer, shall be stamped by you with the classification of **UNCLASSIFIED**.

## REPORTS

A Final Report, manuals, drawings and similar data as may be required under this contract, shall be submitted at such time and in such format as may be specified by the Technical Representative of the Contracting Officer or as may be otherwise set forth in the Scope of Work Article of this Schedule. In addition, Technical Progress Reports should be prepared in the manner normally practiced by you and submitted directly to the Contracting Officer's Project Engineer in accordance with the engineer's instructions. A copy of the Progress Report should be mailed directly to the Contracting Officer.
